

QUESTIONS

1. Status of freeze on military detailees
2. Possibility of military asking for additional personnel to administer identification, movement, etc.
3.
If Agency handled administration an increase would be required to handle orders, pay, TDY's, records, etc. If Agency doesn't handle then services would most likely ask for reimbursable positions to administer.
4. Housing local and overseas.
5. travel funds (invitee)
6. Clearance requirements will cause quite a few to be turned back. Estimate a 30% reject rate based on other areas where we have enlisted personnel.
7. Services will want to know what type of equipment personnel will be working on. That is, service promotions and testing are not geared to our equipment. Will personnel remain competitive for service promotion while out of the service mainstream.
8. Will nonvolunteers be excepted. If posts are undesirable, personnel will have an option to reject if we take volunteers only.
9. Would selection have to be made by a certain dead line in order to enter Agency training.
